

Ref No. IMPACT/NOTICE/305/2020

Date: June 03, 2020

Notice

Dear Students,

You are already aware of the fact that internship for 6th semester students is mandatory, as part of your syllabus.

Guidelines as received from UGC in the wake of Covid-19, methods in doing internship activity have been changed, keeping the health, safety and security of students in mind. Instructions regarding internship were provided to students through SMS and also notice dated May 21, 2020 has been uploaded to College website. You are required to see College website to know detailed information about the project work.

You are expected that you have started your project work under the guidance of your guide. Whatsapp group has been created with guide and students as members so that students could stay connected to guide to resolve problem regarding the project work.

It has been observed that some students are not taking interest in project work. Please bear in mind such students will not be given another chance to carry out the project and their careless approach will grossly affect their University End Semester Examination. Even they will not receive degree on time following the pending result.

Last date for submission of project will not be extended under any circumstances.
